

Professional PCB and Chip Disintegrator

Model: SPD350

Crushing materials: PCB, chips, SIM card, CD etc

**Crushing particle: under 1mm or 1 mm or
2mm by customized**

Shredding capacity: 80-120 kg per hour

Power: 13.95KW/380V/50HZ

Machine size: 5450(L) x1245(W) x 3239 (H) mm

With air aspiration system, smart control PLC system
